

1- ABOUT MYSELF

My name is

My birthday is on

I am ..6.. years old.

The name of my school is

The name of my class teacher is

She/He teaches us Environmental Studies (EVS)

We do many activities together such as Drawing & colour,
playing with toys, playing outdoor games etc.....

Exercises

A. Ankita likes to eat icecreams. What do you like to eat ?

Write the names of any two food items you like to eat.

I like to eat Popcorn and French fries.

B. Write two activities that you like to do.

1 . Playing with toys.

2. Drawing and coloring.

3. Singing and dancing.

4. Playing with action figures (or) dolls.

Activity Funda

A. Also write about these :

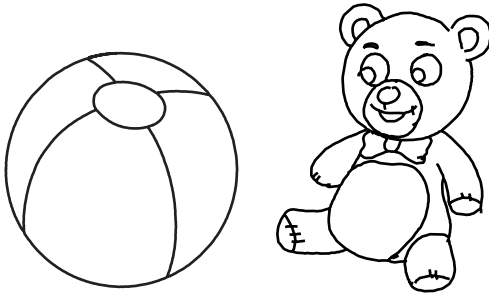

Your favourite fruit : Mango

Your favourite toy : Teddy bear

Your favourite cartoon characters : Tom & Jerry, Pikachu,

Mickey mouse, Spider-man, & Dora the Explorer.

B. Colour these toys.

2- MY BODY

TESTING TIME

Write the names of the body parts being used in each picture.

- (I) Rohan is reading the book with his Hands
- (II) Ankur is kicking the ball with his foot.
- (III) Khushi is smelling the flower with her Nose
- (IV) Amit is carrying his school bag on his Shoulders
- (V) Sona is listening to music with her Ears.
- (VI) John is holding his books in his Hands
- (VII) Jack is licking an ice-cream with his Tongue.

A. Tick (✓) the correct answer.

1. We see the world with our (a)

(a) eyes

☒

(b) ears

☐

© nose

☐

2. We hear different sounds with our (a)
 (a) ears ☒ (b) nose ☐ © eyes ☐
3. We taste different things with our (b)
 (a) nose ☐ (b) tongue ☒ © hands ☐

B. Choose the correct words and fill in the blanks.

1. My body has Several parts.
2. We have Five sense organs.
3. Our Tongue helps us taste.
4. Our Skin helps us feel.

C. Read and circle the correct words.

1. My hands  help me –
 sing write draw stand clap eat
2. My feet  help me –
 eat bite run talk hop stand

D. Think about yourself and (✓) the correct word.

1. I have brown/black hair. { black }
2. I have black/brown eyes. { black }
3. I kick a ball with my hands/feet. { feet }
4. I am tall/short. { short }
5. My teeth are white/yellow. { yellow }
6. My hair is curly/straight. { straight }

E. Read the statements and match them with the correct sense organ.

- | | | |
|------------------------|---|------------|
| 1. Feeling the hot cup | → | (a) Tongue |
| 2. Smelling a flower | → | (b) Skin |
| 3. Tasting a mango | → | (c) Nose |
| 4. Hearing the horn | → | (d) Eyes |
| 5. Watching cartoons | → | (e) Ears |

Critical Thinking

You should never put any sharp object inside your nose.

Why ? Find out and write.

1. The nose can become infected.
2. The object might cause a nose bleed.
3. The object has been in the nose for some time and caused irritation.
4. We should sit close to watch the television.
5. We should wash our eyes with clean water daily.

Life Changing Difference

Tick (✓) the things which you want to do to take care of your sense organs.

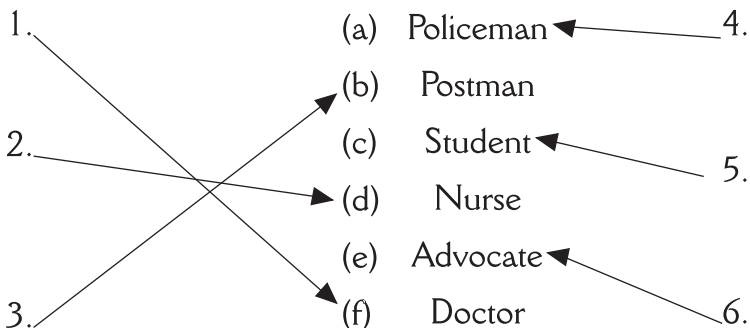

- | | |
|--|-------------------------------------|
| 1. We should listen to music at a high volume. | <input checked="" type="checkbox"/> |
| 2. We should never read in dim light. | <input type="checkbox"/> |
| 3. We should never put any sharp object inside our ears. | <input checked="" type="checkbox"/> |
| 4. We should sit close to watch the television. | <input type="checkbox"/> |
| 5. We should wash our eyes with clean water daily. | <input checked="" type="checkbox"/> |

Unit 2 Our Needs

3- CLOTHES WE WEAR

TESTING TIME

Match the uniform with their occupation.

A. Tick (3) the correct answer.

1. In summer , we wear clothes.

- | | | | |
|--------------|-------------------------------------|-------------------|--------------------------|
| (a) cotton | <input checked="" type="checkbox"/> | (b) woollen | <input type="checkbox"/> |
| (c) raincoat | <input type="checkbox"/> | (d) none of these | <input type="checkbox"/> |

2. What type of clothes do you wear in winter ?

- | | | | |
|-------------|-------------------------------------|-------------------|--------------------------|
| (a) woollen | <input checked="" type="checkbox"/> | (b) raincoat | <input type="checkbox"/> |
| (c) cotton | <input type="checkbox"/> | (d) none of these | <input type="checkbox"/> |

3. What clothes do you wear in your school ?

- | | | | |
|---------------------|--------------------------|-------------------|-------------------------------------|
| (a) woollen clothes | <input type="checkbox"/> | (b) uniform | <input checked="" type="checkbox"/> |
| (c) raincoat | <input type="checkbox"/> | (d) none of these | <input type="checkbox"/> |

4. What do we use in rainy days ?

- | | | | |
|---------------------|--------------------------|-------------------|-------------------------------------|
| (a) cotton clothes | <input type="checkbox"/> | (b) umbrella | <input checked="" type="checkbox"/> |
| (c) woollen clothes | <input type="checkbox"/> | (d) none of these | <input type="checkbox"/> |

B. Answer these questions.

1. Why do we wear clothes ?

We wear clothes to protect ourselves Such as heat, cold, rain, dust etc.

2. What type of clothes do we wear in summer season ?
In Summer season we wear “ cotton clothes”
3. From where do we get wool ?
We get wool from a “Sheep”.
4. Which things do we use in the rainy days ?
In the rainy days, we use: raincoat, gumboots & an umbrella.
5. Where do we get cotton fabric from ?
We obtain cotton from the cotton plant.

C. Fill in the blanks with the given words.

1. Clothes .protect. us from heat, cold, rain and wind.
2. Clothes make us look .smart.
3. Woollen clothes keep us .warm .
4. We wear .cotton. clothes in summer.

D. Write ‘T’ for true or ‘F’ for false.

- | | | |
|--|---|---|
| 1. We wear a uniform to a party. | <table border="1"><tr><td>F</td></tr></table> | F |
| F | | |
| 2. We wear woollen clothes during rainy season. | <table border="1"><tr><td>F</td></tr></table> | F |
| F | | |
| 3. Clothes protect us from insect bites. | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |
| 4. We wear different clothes at different times of the year. | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |

Critical Thinking

How can we help poor children living nearby us with clothes ?

What do you do with your old clothes that are in a good condition ?

Find out and write.

Many children do not have basic necessities. new clothes, toys etc.

can make a big difference in their life adopt a child needs for clothing

& Shelter. Give warm clothes to the needy & the poor donate the help struggling children. Recycle the clothes it is a responsibly.

Life Changing Difference

A. Rearrange the letters to name these people in their uniforms.

1. SERNU
NURSE

2. RDCOOT
DOCTOR

3. AOLPEICMN
POLICEMAN

B. Tick (✓) the statements which you think are correct.

- | | |
|---|-------------------------------------|
| 1. We should throw our old clothes. | <input type="checkbox"/> |
| 2. We should always wear clean clothes. | <input checked="" type="checkbox"/> |
| 3. If our old clothes are in good condition we should give them to poor children. | <input checked="" type="checkbox"/> |
| 4. We must always to go school in our uniform. | <input checked="" type="checkbox"/> |
| 5. We should wear clothes according to the seasons or conditions of weather. | <input checked="" type="checkbox"/> |

A. Identify the clothes and name the seasons.

SUMMER

RAINY

WINTER

WINTER

B. Collect some photographs of different clothes of different regions and paste them in your scrap book.

4- FOOD WE EAT

A. Tick (✓) the correct answer.

1. Which of the following give us energy?

(a) dal

☐
☐

(b) butter

☒
☐

(c) water

(d) none of these

2. Which of these keeps us in good health ?

(a) burgers

☐
☒

(b) pizza

☐
☐

(c) fruits

(d) chocolates

B. Write 'T' for true and 'F' for false.

1. We need food to get energy.

☐

2. We have dinner in the morning.

☐

3. Milk is not a complete food.

☐

4. We eat three main meals in a day.

☐

5. We get food from plants and animals.

☐

6. We should follow good food habits.

☐

C. Answer these questions.

1. Why do we need food ?

A. Food gives us the energy to do various activities such as playing, running, studying, etc.

2. Name some food items that give us energy.

A. Food items like bread, butter, rice, sugar, that give us energy.

A. I) Banana (II) Apple ➡ Fruits

I) Carrot (II) Cabbage ➡ Vegetables

4. What Are Healthy Food Habits

A. Healthy food habits help us to become strong & healthy it protects many diseases.

D. Match the following

Critical Thinking

Children who eat pizza, burger, noodles, etc. everyday fall ill.

Find out and write why ?

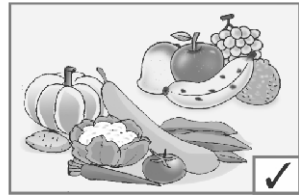

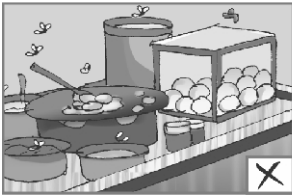

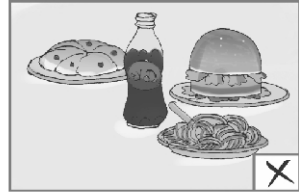

.The problem with junk food like pizza, burger, noodles etc. they are devoid of important vitamins minerals, fibre etc... Junk food increased weight may lead to health issues

Life Changing Difference

Colour the following sentence :

**SAY NO TO
JUNK FOOD**

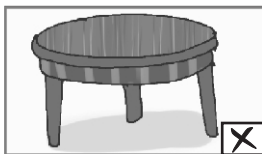

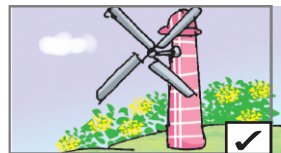

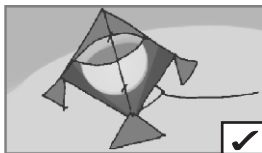

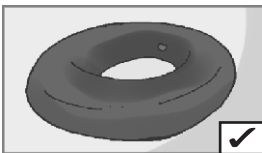

Look at the pictures and put a cross (X) for the food that we should not eat.

5- AIR ALL AROUND US

TESTING TIME

Look at the following pictures and tick (✓) the things that need air.

Exercises

A. Tick (✓) the correct answer.

1. What is moving air called ?
(a) wind ☒ (b) air ☐
(c) rain ☐ (d) none of these ☐
2. We need air to blow into a
(a) table ☐ (b) computer ☐
(c) balloon ☒ (d) none of these ☐
3. Air is needed for
(a) drying clothes ☐ (b) burning the fire ☐
(c) flying a kite ☐ (d) all of these ☒
4. Air occupies
(a) space ☒ (b) water ☐
(c) land ☐ (e) none of these ☐

B. Write (T) for true and (F) for false.

1. Air is not used by plants. ☐ F
2. Moving air is called wind. ☐ T
3. Air has weight. ☐ T
4. Air is not needed to burn a thing. ☐ F

C. Answer these questions.

1. Why do we need air ?
- A. We need air to stay a live
2. Write any three uses of air.
- A. (I) Air is needed to breathe (II) Air helps us to hear sound
(III) Air helps to dry clothes.

C. Answer these questions.

3. What do you mean by wind ?

A. Wind is the movement of air. Air moves from one place another.

D. Match the following.

- | | |
|-----------------------|--------------------|
| 1. Wind | (a) breeze |
| 2. Inflated balloon | (b) turned by wind |
| 3. Windmill | (c) moving air |
| 4. Gentle blowing air | (d) air occupies |

E. Circle the words that rhyme with air.

- | | | |
|----------|---------|----------|
| 1. here | 2. fear | 3. near |
| 4. chair | 5. pair | 6. there |

F. Define the following.

Wind : . Moving air is called "Wind"

Breeze : Gently blowing wind is called "Breeze"

Storm : Wind comes with great force it is called "Storm"

Windmill : A windmill is a machine that harnesses the power of the wind.

Critical Thinking

Why do wet clothes dry faster when we put them outside ?

Find out and write.

The water present in clothes gets converted into water vapor and is released into the atmosphere due to evaporation which leaves them dry.

Life Changing Difference

Tick (✓) the actions you think make the air dirty or polluted.

- | | |
|---|-------------------------------------|
| 1. Burning of garbage in the open area. | <input checked="" type="checkbox"/> |
| 2. Planting trees on the empty lands. | <input type="checkbox"/> |
| 3. Smoke from cars and other vehicles. | <input checked="" type="checkbox"/> |
| 4. Throw garbage in open. | <input checked="" type="checkbox"/> |

Activity Funda

Take a piece of paper. Fold it to make a fan. Use the fan. Do you feel the air ?

Answer : yes , we feel air in our face.

All the surrounding air is forced towards our face because of the force conducted by the paper fan.

If proves “air has a lot of power”

6- WATER

A. Tick (✓) the correct answer.

1. Who needs water?

(a) animals

☐

(b) plants

☐

(c) human beings

☐

(d) all of these

☒

2. It is the main source of water.

(a) rain

☒

(b) river

☐

(c) lake

☐

(d) pond

☐

3. We should drink at least glass of water everyday.

(a) 3 to 4

☐

(b) 2 to 3

☐

(c) 8 to 10

☒

(d) 4 to 6

☐

B. Answer these questions.

1. Do plants and animals also need water ?

Yes. : Animals & plants also need water because they are living things

2. What are the uses of water ?

Yes. : Water is used for drinking, cleaning, cooking, bathing, washing and domestic uses.

C. How is water being used in the following pictures ? Write.

Bathing

Drinking

Watering plants

Critical Thinking

How can we save water ? Suggest some ways.

- I) Turn off tap after each use
- II) Don't play with the water
- III) Use a bucket for car wash.
- IV) collect rain water in a bucket to water plants.
- V) Take shorter showers.
- IV) fin leaky taps etc..

Life Changing Difference

Underline the actions in red that can pollute water.

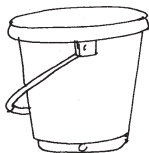

- | | |
|--------------------------------------|-------------------------------------|
| 1. Wash clothes in lakes and rivers. | <input type="checkbox"/> |
| 2. Throw garbage in a dust bin. | <input checked="" type="checkbox"/> |
| 3. Throw garbage into rivers. | <input type="checkbox"/> |
| 4. Store water in covered pots. | <input checked="" type="checkbox"/> |

Colour the utensils which can be used for storing water.

Pitcher

Bucket

Spoon

7- Health & cleanliness

TESTING TIME

Things given below can help you to keep clean. Write their names.

Soap

Tooth brush

Nail Cutter

Towel

Exercises

A. Tick (✓) the correct answer.

1. We must do exercises.

(a) in the morning

☐

(b) before going to bed at night

☐

(c) both (a) and (b)

☒

(d) none of these

☐

2. To trim our nails, we

(a) use a nail-cutter

☒

(b) bite the nails

☐

(c) use a pair of scissors

☐

(d) note of these

☐

B. Answer these questions.

1. Why do we need a healthy body.

Healthy body can help prevent diseases & long term illnesses

2. Write three good food habits ?

I) Eat break fast daily

II) Eat lots of fruits & vegetables.

III) Drink plenty of water.

IV) Avoid junk food

3. Write a few good clean habits.

Brush your teeth twice a day

Wash your hands before & after each meals.

Regulate your toilet habits.

4. Why should we wash our hands before and after every meal ?

When you eat a meal without washing your hands,

The germs on your hands go into mouth. germ can cause infections.

C. Fill in the missing letters to complete the term.

- | | |
|----------|-------------|
| 1. HABIT | 2. EXERCISE |
| 3. CLEAN | 4. DUSTBIN |

D. Write (T) for true and (F) for false :

- | | | |
|---|---|---|
| 1. Do you eat your meals on a fixed time ? | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |
| 2. Do you brush your teeth regularly? | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |
| 3. Do you trim your nail regularly? | <table border="1"><tr><td>F</td></tr></table> | F |
| F | | |
| 4. Do you get up early in the morning? | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |
| 5. Do you take a bath everyday? | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |
| 6. Do you wash your hands before and after meals? | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |
| 7. Do you keep your hair clean and combed? | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |
| 8. Do you follow healthy food habits? | <table border="1"><tr><td>T</td></tr></table> | T |
| T | | |

E. Fill in the blanks with correct words.

work, soap, nails, healthy, exercises

1. Living a healthy life is very important.
2. Do exercises to tone your muscles.
3. Take a bath with soap and water everyday.
4. Keep your nails trimmed and clean.
5. Rest is necessary after work .

F. Match the following.

- | | | |
|-------------------|---|------------------------------------|
| 1. Always eat | → | (a) clean and well ironed clothes. |
| 2. Eat your meals | → | (b) early in the morning. |
| 3. Eat lots of | → | (c) fresh and nutritious food. |
| 4. Always wear | → | (d) on a fixed time. |
| 5. Get up | → | (e) fruits and vegetables. |

Critical Thinking

How do you feel when you are not healthy or fall ill ? Write your experience in a few lines.

I feel fatigued, my be a little depressed, less hungry that usual and more sensitive to pain & cold.

Being sick I never an enjoyable experience. I feeling very tired.

Life Changing Difference

We should always follow good food habits. What will happen if we do not follow these healthy food habits ? Mention two things. Discuss in group of four.

- (I) If a person does not eat healthy food in a diet, they suffer from deficiency diseases.
- (II) Unhealthy diets can lead to obesity.
- (III) Have a take good breakfast. Eat fruits & vegetable.

Activity Funda

Look at the given pictures. Tick (✓) the correct activities that

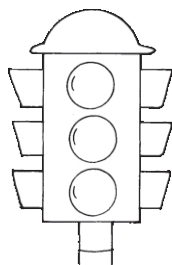

8- SAFETY RULES

Colour this traffic light and follow the steps.

Red means STOP!

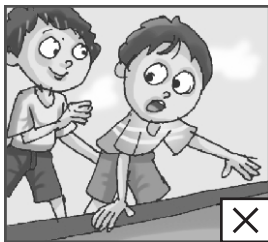

Yellow means WAIT!

Green means GO!

TESTING TIME

Which of these children are following safety rules?

Exercises

A. Tick (✓) the correct answer.

1. We should cross a road from a

(a) bed

☐

(b) zebra-crossing

☒

(c) footpath

☐

(d) none of these

☐

2. We should not play with

(a) match-box

☐
☐

(b) nailcutter

☐
☒

3. What should be used for crossing heavy traffic roads?

(a) underground subways

☐

(b) overhead bridges

☐

(c) both (a) and (b)

☒

(d) none of these

☐

B. Fill in the blanks.

1. We must obey safety rules.
2. Do not push anyone while getting in or out of the bus.
3. We should not disturb driver of a moving bus.
4. Red light means stop.

C. Answer these questions.

1. What do you understand by safety rules ?

Safety rules are guidelines that keep safe and prevent any accidents (or) harm.

2. What does the green light stand for ?

Green light signal means the driver can start the vehicle & move forward. / Go!

3. What will happen if we do not follow traffic rules ?

We can face lots of traffic jams, slow driving lanes and car accident etc.

A. A family has several members (or) a family in which uncle aunt cousins, parents, children & grandparents live together is called a joint family.
4. What kind of your family?
A. Small family that has parents and children only.
5. What is surname ?
A. The members of a family have the same last name, it is called their surname.

Critical Thinking

What do you call your mother's sister and her father ? Find out and write.

Mother's Sister : Aunt

Her Father : Grandfather

Life Changing Difference

Family members help each other. Answer these questions.

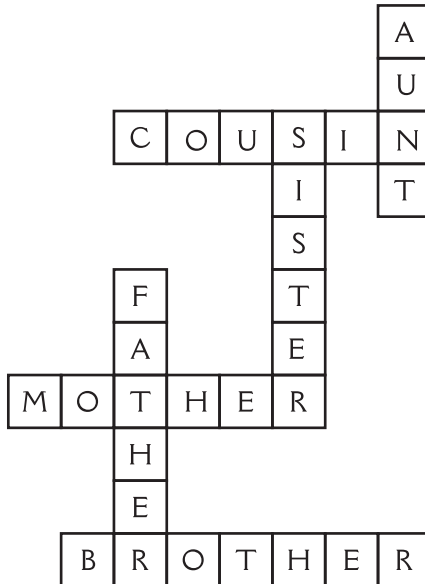

1. Who helps you to get ready for school ?
My mother helps me to get ready for school
2. Who helps you with your homework ?
My mother & sister help me with my home work.
3. How do you help your family members ?

3. How do you help your family members ?

Encourage activities like exercise, good eating, regular sleep, homework & doing things the person enjoys.

Activity Funda

A. Complete the given cross word with the names of your relatives

B. Paste pictures of your parents and write two sentences about each.

My mother: Name is.....

- ⇒ She is homemaker.
- ⇒ Everyone respects her & loves her.
- ⇒ I love her a lot
- ⇒ She takes so much care of me.
- ⇒ She helps me with my home works.
- ⇒ She takes care of the house.

- B. Paste pictures of your parents and write two sentences about each.

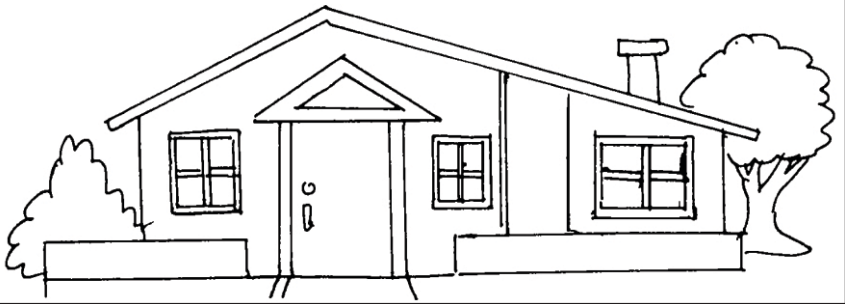

My Father: Name is.....

- ⇒ He is a loving person.
- ⇒ He takes care of my entire family
- ⇒ He is very hardworking person.
- ⇒ He helps me in my studies every day.
- ⇒ He teaches us good manners & morals of life.
- ⇒ My father is my role model.

10- WHERE WE LIVE

Testing Time

What is it ? Colour the picture.

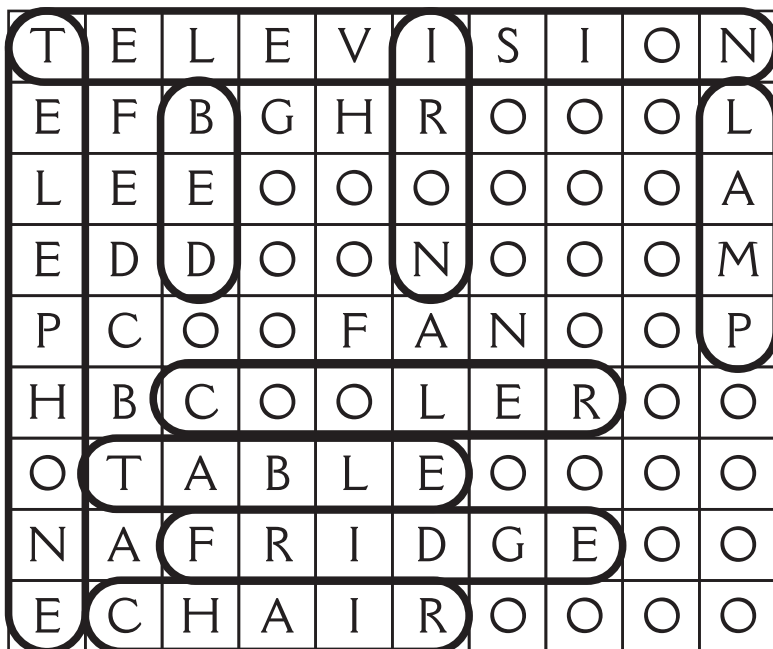

It is a

TESTING TIME

We keep many things in different rooms of our house.

Find out ten things hidden in this word search that are usually present in a house.

Exercises

A. Tick (✓) the correct answer.

1. We live in a

(a) house

☒

(b) cave

☐

(c) fort

(d) none of these

☐

2. We cook our food in the

(a) bedroom

☐

(b) kitchen

☒

(c) dining room

☐

(d) study room

☐

B. Identify the pictures and name these rooms.

1. Bedroom

2. Kitchen

3. Drawing room

4. Bathroom

C. Fill in the blanks.

1. A house is a place to live with love.
2. kutchra houses are mostly found in villages.
3. Different rooms are for different purposes.
4. We welcome our guests in a drawing room.

D. Answer these questions.

1. Why do we need a house ?
- A. We need a house from rain, heat, cold, storm, winds, wild animals and thieves.

- A. Kutchra house is a weak house. it is made up of mud, straw, bamboo & leaves. They are mostly found in villages.
3. Differentiate between a kutchra house and a pucca house ?
- A. Pucca House is a strong house. it is made up of bricks, cement, steel, wood & iron. They are mostly found in towns & cities.

Critical Thinking

All of us have a house address. Do you know your address ? Find out and write.

House Address : House Number :

Street Name : City.....

District : State.....

Pin Code :

Life Changing Difference

A house should be neat and clean. What do you do to keep clean your house ? Discuss in your class.

- ⇒ * I do some cleaning activities like.
- ⇒ Sweeping the floor in everyday.
- ⇒ Cleaning the bathroom & toilet.
- ⇒ Dusting all the objects like: T.V, Table, etc...
- ⇒ Arranging books & notebook neatly.
- ⇒ Wiping the floor etc....

Name any four things found in these rooms.

BATHROOM	KITCHEN	DRAWING ROOM
1. Towal.....	1. Bowl.....	1. Fan.....
2. Soap.....	2. Stove.....	2. Sofa.....
3. Bucket.....	3. Tea cups.....	3. Aquarium.....
4. Toothbrush.....	4. Spoon.....	4. Carpet.....

Unit 4 Our Needs

We And Our Neighbourhood

11- OUR NEIGHBOURHOOD

TESTING TIME

Choose the correct words and fill in the blanks.

- We buy milk from milkman.
- Children study in a school.
- A policeman works in a police station.
- We keep our money in a bank.
- We buy things from a market .
- sweeper sweeps the road.

A. Tick (✓) the correct answer.

- The area surrounding our home form our

(a) neighbour	<input type="checkbox"/>	(b) neighbourhood	<input checked="" type="checkbox"/>
(c) market	<input type="checkbox"/>	(d) park	<input type="checkbox"/>
- A place where we go to buy things of our daily needs is called

(a) market	<input checked="" type="checkbox"/>	(b) post office	<input type="checkbox"/>
(c) bank	<input type="checkbox"/>	(d) park	<input type="checkbox"/>

3. Children play in the
- | | | | |
|------------|--------------------------|-----------|-------------------------------------|
| (a) road | <input type="checkbox"/> | (b) park | <input checked="" type="checkbox"/> |
| (c) market | <input type="checkbox"/> | (d) water | <input type="checkbox"/> |
4. People keep their money safe in a
- | | | | |
|-----------|-------------------------------------|---------------|--------------------------|
| (a) house | <input type="checkbox"/> | (b) neighbour | <input type="checkbox"/> |
| (c) bank | <input checked="" type="checkbox"/> | (d) market | <input type="checkbox"/> |

B. Fill in the blanks.

- People living near our home are our neighbours .
- Places in our neighbourhood provide useful services
- We should keep our neighbourhood clean .
- We go to the bank to keep our money safe.

C. Answer these questions.

- What is a neighbourhood ?

The area surrounding our home forms our neighbourhood

- When do we go to hospital ?

When er fall ill (or) injured we go to a hospital.

- Where do we keep our money safe ?

We keep our money safe in a bank

Critical Thinking

Which numbers will you call dial if you have to call the police and the ambulance ? Find out and write.

.police : 100.

.ambulance : 108.

Life Changing Difference

We can keep our neighbourhood clean by following some rules.

- We should throw garbage into the dustbin.

We should throw garbage outside the house.

- We should plant trees near our house.

Plants & grass must be regularly trimmed.

- We should reuse as much materials as we can.

We should must sweep away the fallen leaves.

Do you have these in your neighbourhood? Tick (✓) or cross (X).

☆ Post office	<input checked="" type="checkbox"/>	Market	<input checked="" type="checkbox"/>
☆ Bank	<input checked="" type="checkbox"/>	Park	<input type="checkbox"/>
☆ Hospital	<input checked="" type="checkbox"/>	Police station	<input type="checkbox"/>
☆ Bus stop	<input checked="" type="checkbox"/>	Fire station	<input type="checkbox"/>

12- PEOPLE AROUND US

TESTING TIME

Read the clues, identify and name the people.

Electrician
.....

Fabricators / Carpenter
.....

Barber
.....

Plumber
.....

Exercises

A. Tick (✓) the correct answer.

- Who treats us when we are unwell.

(a) cobbler	<input type="checkbox"/>	(b) postman	<input type="checkbox"/>
